

WALLAN PRIMARY SCHOOL HOMEWORK

PURPOSE

The purpose of homework is to provide students with the opportunity to revise and reinforce skills and knowledge whilst fostering lifelong learning and study habits.

We encourage all students to complete set homework tasks.

FOUNDATION, YEAR 1 & 2

In the early years, the objective of homework is to practise and consolidate concepts introduced during class time.

Reading – decodable texts

- read every night
- signed by adult in Student Learning Diary
- books changed weekly

Numeracy – complete set tasks on Mathseeds

- 10 minutes at least 3 times per week

Reading

- Independent reading recorded in Student Learning Diary
- 15 minutes at least 3 times per week

Numeracy – complete set tasks on Mathletics

- 15 minutes at least 3 times per week
- Mathletics live when tasks are complete

YEAR 3 & 4

In the middle years, the objective of homework is to revise and consolidate skills and knowledge introduced during class time.

YEAR 5 & 6

In the upper years, the objective of homework is to revise and consolidate learning whilst developing self-discipline and responsibility to prepare students for secondary school.

Reading

- Independent reading recorded in Student Learning Diary
- 60 minutes across the week

Numeracy – complete set tasks on Mathletics

- Mathletics live when tasks are complete

Additional set tasks may include project and research work

HOMWORK EXTENSION OPTIONS

Are you looking for more homework?

Wallan Primary School understands that students have different learning strengths, preferences and interests. The following are optional ideas for students who want more homework opportunities.

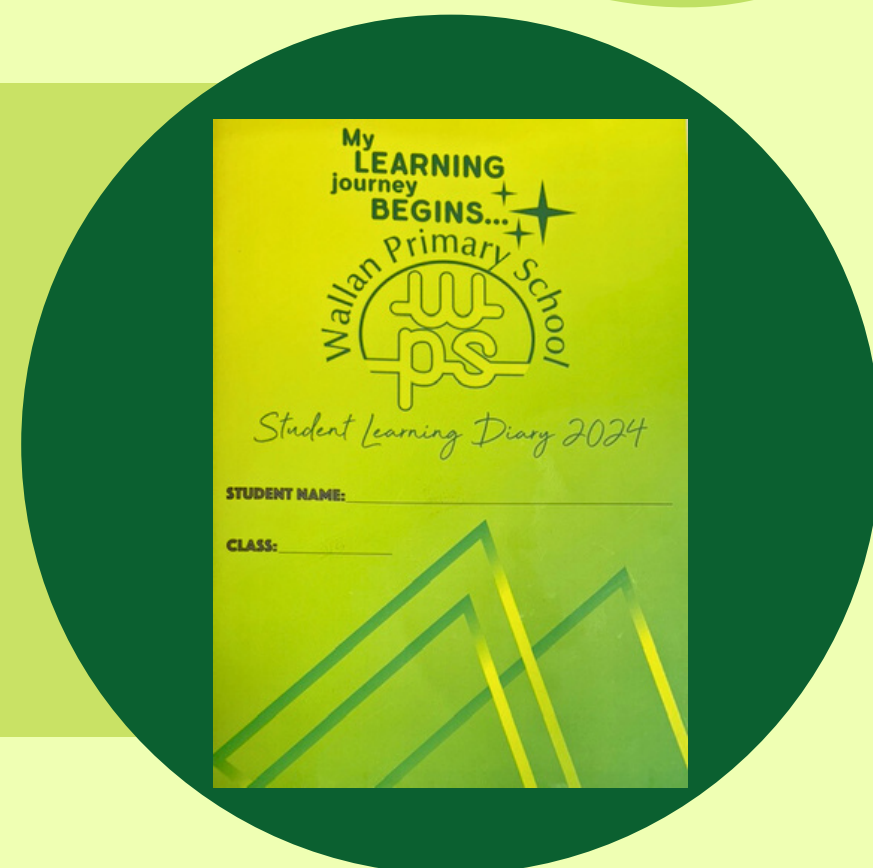

Mathletics / Mathseeds

Complete additional learning tasks using our Mathseeds or Mathletics platforms. If you need your password please ask your teacher.

Student Learning Diary

There are Literacy and Numeracy tasks in the front pages of the Student Learning Diary. These tasks are 'open ended' which means they are designed to be repeated.
