YEAR 3 PARENT PLANNER

Term 3, 2026

PE

In Term 3, year 3 students will learn the skills and rules needed to play and understand the sport of soccer. They will do this through drills, minor team games and of course plenty of soccer.

VISUAL ART

In Term 3, students will be focussing on the art inspiration of the First Australians. The first piece of work examines the ancient Gwion Gwion cave paintings located in the remote area of the Kimberleys. Students apply glad wrap over wet paint to create the look of a natural cave wall. Next they choose an Australian animal to use for their line or dot art work. We discuss where the lines and the dots originated from and they use ochre colours in their painting while adding details with posca markers.

FOOD

This term students will continue to build their confidence when cooking in the Kitchen space. We will be cooking recipes such as 'Very berry muffins' and 'Herb and cheese pull apart'. Students will be exploring different cooking skills such as kneading dough and cutting safely. For hygiene and safety reasons we ask that all students with hair shoulder length or longer have their **hair tied back** for Food sessions. Please also remember to **bring a reusable container** every week. Thank you for your assistance with this.

AUSLAN

This Term in Auslan students in grade 3 will learn to sign farm animals, food, and clothing. They will build their vocabulary through interactive activities and hands-on learning, and begin using simple signs in short conversations. They will develop an awareness that Auslan is a language in its own right, different from mine and gestures used in spoken languages.

IMPORTANT REMINDERS

ATTENDANCE

Students are expected to be at school every day unless they are sick. Parents are asked to record absences via the Compass Parent Portal, email the school email account, call the office or provide a note explaining the reason for the absence.

WATER BOTTLES

Students are required to bring their own water bottle and water can be consumed at any time during the day. Food and non water drinks can only be consumed at designated eating times.

UNIFORM

Uniform must be worn in full every day. Students not in uniform may be asked to change at the office in the morning. Please refer to the Uniform Policy on our website.

Our uniform supplier is PSW.

Families may choose to purchase generic uniforms from department stores.

WINTER CLOTHES

As the weather gets colder, please ensure your child comes to school with a warm jumper or coat each day. It's also a great idea to pack a spare pair of socks and pants in their school bag, just in case they get wet or muddy during play.

LATE ARRIVALS

School gates open at 8:30am and classrooms are open at 8:45am. Students are expected to be at school on time, every day, to ensure they do not miss the beginning of the learning focus. If your child is late to school, a parent/guardian must walk them to the office and sign them in.

HEALTHY SNACK

Healthy snacks can be consumed in the classroom at a suitable time, decided upon by the teacher. Healthy snacks include fruit and vegetables that can be eaten easily whilst students work.
