Dear Families,

Wallan Primary School is looking forward to another great year of teaching and learning and would like to advise you of Wallan Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences, enhanced resources etc.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Regards,

Tanya Kirkright - Principal

Educational items for students to own

Wallan Primary School recommends you purchase a pencil case with basic pens, grey lead pencils etc to fill your pencil case for your child to individually own and use.

Extra-Curricular Items and Activities – provided on a user-pays basis

Wallan Primary School offers a range of optional items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides to deliver the Curriculum.

If you would like to purchase an item or activity for your child, please ensure payment is made on Compass to the school by the date allocated for the event. The school subsidises many activities to ensure excursions are not above $30.00 per child and that incursions are offered at a reduced rate.

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
